MONTH: September 2019

**SUCSESSES** (details of tasks that are going well within your component area)

Tasks that are going well are file checking, gathering waitlist forms and organizing them. One of my most confident area is learning and understanding how the enrollment process works. However, I still have a lot to learn, but surely will.

**CHALLENGES** (details of tasks that you need to be changed, revised or areas where support is needed)

As I'm doing check files off sites, I noticed that I forget to bring missing forms or extra supplies. This area I will need to be more organized and plan thoroughly before I visit

**CURRENT PROJECTS OR TASKS** (details of what you are currently working on or anticipate completing off sites within the next month).

I hope to finish file checking and get familize with Child Plus. Also, I'm hoping to have a full on enrollment (intake) appointment which will help me in understanding how the process works.

Number of screenings completed to date (i.e. dental, vision, ASQ, growth assessments, blood lead, hemo, speech, FPP/FPA, follow-ups, etc): (number should get larger each month as you add new screenings for the current month to the total from last month)

Head Start Programs

August 1, 2019 through July 31, 2020

Head Start Basic

This program is housed at the Morey Avenue Child Development Center (155 Morey Avenue), Oakdale (3708 Myrtle Avenue), Rio Linda (631 L Street) and Village Elementary (6845 Larchmont Drive) sites.

**Morey Avenue Child Development Center**--Funding affords this Center the opportunity to offer a high quality program for children from 2 years 9 months to 6 years old and to uphold the Head Start philosophy of serving both the child and the family. This program provides services to 73 children. These services include the staffing of both certificated (teachers, social worker, speech therapist) and classified personnel (assistants, custodial and clerical), the purchase of instructional materials and supplies, the experiences of student assemblies and field trips, the payment of policy council reimbursements for child care and mileage, the printing of test results and handbooks delivered to staff and the family and the health screenings of children.

**Oakdale Early Learning Center (ELC)**—This site serves 20 children. Funding is used to staff the site, to purchase instructional materials and supplies, to expose children to as many experiences as possible through student assemblies and/or field trips, to print a variety of forms needed to communicate to the child's family and staff and to conduct health screenings.

**Rio Linda Early Learning Center (ELC)**—This site serves 24 children. **SUBJECT:** Notice of Proposed Rulemaking (NPRM) on Designation Renewal System (DRS) Changes – Public Comment Period

**INFORMATION:**

The Office of Head Start (OHS) has published a Notice of Proposed Rulemaking (NPRM) in the Federal Register, **Head Start Designation Renewal System Changes**. This publication opens a 45-day public comment period.

OHS is soliciting feedback on these proposed changes and will use comments submitted by the public in making decisions for the final rule.

The proposed revisions will ensure OHS identifies those communities where competition is the most warranted and more effectively holds grantees accountable, while making the DRS more transparent.

For the CLASS@ condition, the NPRM proposes to remove the lowest 10 percent criterion and set more rigorous minimum thresholds across all three domains grantees must meet in order to avoid designation for competition. Specifically, the proposed rule would increase the minimum threshold for Emotional Support from 4 to 5, Classroom Organization from 3 to 5, and Instructional Support from 2 to 2.5.

For the fiscal condition, the NPRM proposes to add a second criterion that would consider Head Start findings from annual audits to determine whether fiscal management challenges exist. This specific use of Head Start audit findings provides OHS an earlier predictor that is more comprehensive to detect fiscal management and oversight risks.

The current DRS standards will remain in effect until a final rule is issued.

To submit comments, follow the "Submit a comment" instructions in the **Federal Register**. To ensure OHS can effectively respond to your comments, clearly identify the issues on which you are commenting. Please be as specific as possible in your comments. Provide the page number, identify the column, and cite the paragraph from the Federal Register document (e.g., page 10999, second column, §1305.6(a)(1)(i)). If you wish to comment anonymously, please enter "N/A" in the required fields.

If electronic submission is not possible, you may send comments via the U.S. Postal Service to the address indicated in the Federal Register. In accordance with the instructions in the Federal Register, OHS encourages all interested stakeholders to submit comments in response to the DRS changes by the 45 days deadline published in the NPRM.

Thank you for your work on behalf of children and families. We look forward to receiving your comments.
