Aug. 16, 2024

To Staff and the Twin Rivers School Community,

The countdown is on! Our schools open Tuesday, August 20, ushering in a fresh chapter for our new and returning students. We're eager to welcome them for a year filled with learning, friendship, growth and accomplishments.

**To Our Families** - We're honored to partner with you in shaping your child's future. Know that your trust in us is deeply valued. As your child embarks on this new journey, especially if they're starting middle or high school, it's natural to feel a mix of excitement and nerves. Please remind them that our entire school community is here to support them. From lost or misplaced supplies to offering guidance, our friendly staff is ready to help. Let's work together to create a fantastic school year for every student.

**To Our Employees** - Your hard work and dedication are the foundation of our success. Thank you for creating inspiring learning spaces and preparing for an amazing year. From new playgrounds to expanded classrooms, our campuses are ready to welcome our students. Your enthusiasm is contagious, and we can't wait to see the impact you'll make.

**To Our Students** - You are the heart of our schools! We've worked hard to create an environment where you can thrive. From enhanced facilities to exciting programs, every effort is focused on your success. Embrace new challenges, make lasting friendships, and know that we believe in you.

**Together, We Soar**

Our district is a vibrant community where every student is valued—from our youngest learners to our graduating seniors and our adult learners. Let's create a year filled with extraordinary experiences and lifelong memories.

Welcome to the start of a new adventure!

**#TRUSD Proud Alert!**

We're thrilled to announce the opening of our brand new school, Northlake TK-8, as well as the completion of 75 districtwide improvement projects over the summer. These upgrades include state-of-the-art HVAC systems, new outdoor hardcourts, fresh roofing, secure fencing, exterior painting, and outdoor learning shade structures.
