

What is Digital Citizenship?

Digital citizenship refers to responsible technology usage.

Discussing digital citizenship is essential to helping your child achieve and understand digital literacy, as well as ensuring cyberbullying prevention, online safety, digital responsibility, and digital health and wellness.

How do I learn more about Digital Citizenship?

[Common Sense Media](https://www.commonsensemedia.org/) is a nonprofit organization that has guides and resources for parents that center around digital citizenship and making informed decisions about digital content. To access their website, visit <https://www.commonsensemedia.org/>

Under the *Parents Need to Know* tab, you can find information based on your child's age, the topic you are concerned about, and many parents' ultimate guides that will help keep you up to date about the latest digital media trends.

How can I best keep my child safe on Zoom?

Please take a look at [Parents' Ultimate Guide to Zoom](#) to learn more about what zoom is, how students are using it, and safe settings for zoom meetings.

How can I learn more about cyberbullying?

Please explore the following websites for more information on what cyberbullying is and how you can help as a parent.
