When a student in grade two through eight has been attending an accredited public or private school within or out of the STATE, he or she will be admitted to school and placed in the grade of enrollment in the district of former attendance. Students who were previously enrolled in a non-accredited school will be placed age-appropriately.

Do NOT move students from TK to KDG *or* start students in KDG that are TK age until their 5th Birthdate. Also moving students down a grade during the year *or* starting students in a grade lower (Kdg instead of 1st due to never attending Kdg) **Must have Retention Docs** filled out. **Notate both scenerios in Interventions.**
