<b>Present and Discuss draft SPSA</b>	<b>Principal</b>	<b>Principal discussed Norwood Needs assessment and how the link is still live so there can be more suggestions made by the community. The only change for Goal 1 in the SPSA is a change to compare growth to 22-23 data, and to show that we have 10% growth. Goal 2 is looking at the SBAC scores with a focus on SBAC scores to make sure all students have the classes they need. Are all students with special needs and are all special populations receiving their right classes so they are set to promote to high school. We approved adding an AVID position. Again, the increase will be to 10% as the academic percentage. Goal 3 is for how Norwood collaborates with the remainder of the community. This goal is where we will decrease suspensions and increase attendance. This will improve our climate and culture.</b>
