Call to Order / Sign in sheet	Chairperson	4:09 PM Yes, there is a Quorum

Quorum (50% +1)		
Public Comment (2 minutes per speaker)	Secretary	<p>Tara Jacobs: wanted to address continued concerns over the composition of students on the SSC. Was there an election held to bring on a sophomore and a junior?)</p> <p>Barlow: Yes. A message was sent out to students to see if any were interested in running for the SSC, but no students responded. Teachers reached out as well, and there was no luck.</p> <p>Tara: Teacher alternates need to be added to the agenda to help increase the chances of a quorum (Chamberlain, Watson, Woo)</p>

Review/Discuss Google Form survey of student responses	Principal	<p>Notes:</p> <p>Barlow sent out a second survey/message to students and only 3 more responses were recorded (went from 24 student responses to 27). She asked the leadership team for suggestions and the teachers suggested sending out the link to them so that they could post it in their Google Classrooms and they can have students complete it in class.</p> <p>Barlow has been meeting with the Activities Director Mrs. Felix all week to discuss student responses and how we can plan to increase school spirit and student engagement for the 2024-2025 school year. August through December of next year has already been reviewed. They will continue to meet to plan for monthly events for January-June of 2025.</p>

		<p>We want to have a better year of communication to students and families, increased cultural awareness and celebrations, as well as a bigger emphasis on student voice on campus.</p> <p>Maria suggested asking students to complete the survey in a more fun and engaging way so they are more likely to complete it and take it seriously.</p> <p>At the last principal’s meeting, Barlow challenged the other principals to try something new in regards to communicating with families and students. Newsletters are more old-school and we should be finding more engaging ways to communicate news to families.</p> <p>Barlow will be trying weekly videos to families starting next month.</p> <p>Maria offered to partner up with Barlow as needed to assist</p>
<p>Review/Discuss SPSA Goals for 24-25 SY</p> <ul style="list-style-type: none"> ● Root cause analysis ● Greatest Needs determination ● Survey to students specifically about the needs of RLHS ● SPSA goals and actions 	<p>Principal</p>	<p>Notes:</p> <p>In the next meeting (May 22), we will be reviewing the SPSA goals for the 2024-2025 school year.</p> <p>We want to wait for our SBAC scores to come in before we finalize an academic-centered goal for ELA and Math. We are currently at a 5-10% increase and we are the only high school that had scored above a 50%. We don’t want to set a standard 10% goal like the other schools if we can push ourselves to do more.</p> <p>There will be a SPSA goal for cultural awareness for 2024-2025. The students want more cultural representation on campus and more cultural-centered events. We want to increase activities for students on campus and hopefully increase their engagement.</p> <p> </p> <p>We want to think of more ways to increase family involvement next year. Parent participation tends to decrease when students attend secondary schools, so what can we do to help bring that back up?</p> <p>Barlow wants to start holding periodic zoom meetings so that parents and families have the ability to “drop in” and ask questions. These meetings can be for Q&A, discuss FAFSA, Internet Safety lessons, etc. These meetings will be scheduled to take place at varying times and days so that the schedule can accommodate more families.</p> <p>Barlow spoke with Maria earlier this week about increasing family involvement.</p> <p>Maria: Education is the way to end generational poverty</p>

		<p>Maria provided an overview of the app TechGuide, which aims to help support families and students in knowing what to do to get to college and the importance of education. They have created short tik-tok-like videos that discuss the FAFSA, college applications, etc.</p> <p>Inspirame.com</p>
Additional Information/New Business/Discussion	SSC Members	<p>The next meeting will be in-person so we can review the SPSA goals together</p> <p>The SPSA goals will be sent out a week in advance to allow time for everyone to review the goals and write up some feedback. The goal would be to approve and vote on the goals in the next meeting.</p> <p>If we have to revise the goals, then an additional meeting would need to be set for the final voting.</p>
