MEETING MINUTES

RESUMEN DE LA REUNIÓN

405p by jeri No public comments Minutes approval; K delodder motions; K reed seconds. 6-0-0-0 R Williams - shared data from tri 2 benchmarks (page 7) from school and comparison to TR. we showed growth of 1%. Newcomer is 20% increase (more diverse language backgrounds); not at proficient level. Page 8 is math; outsourcing TR avg and increase of 3%. Preliminary SbaC data with 70% return of scores, we are seeing an increase at all grade levels showing growth. Page 9 is EL comparison with TR; 52% EL at LPE, TR is 29%. LPE EL are doing better than 22-23; TR saw decline.

SPSA draft review of GOal 1 (page 10). Needs assessment in FEb for staff; asked staff do we need it, want it, is it working. Compared current allotment of 23-24 and proposed amounts for 24-25. Retired teachers funding for interventions. Hoping for 3 (this year is 2). K. Reed - d. Hanson asked to teach math intervention at Babcock, do we know what htat looks like; desire to build math intervention. No TR support for interventions; rachel asking mtss for support and funding. K Reed - what is our SpEd population compared to TR; are specialized programs utilizing school supports. If we cant consider them part of our formula, and they are utilizing site staff and not staff from their program, how does that work; Rachel - working with special ed and ece to determine what required funding to provide their own resources. We still supervise their staff, and takes a lot of admin time (ieps as well). As of today, there will be a coordinator position that will supervise ece and ecse program here and at vineland to alleviate many of those stresses placed on our staff.

Goal 3 - culture and climate with funding. Staffing (aisb) already approved back in december. Continue with sel learning and family nights.

Goal 4 - increase parent engagement; staff (f&c liaison) already approved in dec.

Rachel - not many changes to maintain growth and continue to see improvements; already submitted to district for review; Dario - do we need to get back together if changes are needed.

Mary - goal 4.2 - current funding has been \$500; has that been enough? Rachel - no, site funds have been used to supplement these events (parent hour). We want to spend every dollar here and then supplement

Mary made motion to approve spsa as presented; reed 2nd. 6-0-0-0

Good of the order:

Mary - child is promoting; thank yo uto school and appreciates having her voice heard; advocates for parents to be involved. Dario - mary can still continue to participate as community member; does not only have to be a parent
