Focus on comprehension; format, historically see more progress in 2nd tri. 2nd has to read</p>	
---	--

stories online, not on paper like 1st. Aligned to standards. Delodder; no changes in benchmark. ?K Reed - how did 3rd grade do?
Alondra- include EL newcomer?

Alondra - wants to know if teachers feel this is a benefit.
Kim - during win, they have students in small groups 8 compared to 28, progressing and moving through lessons quicker; have exceeded lessons. Have kids feeding in from small groups; 2nd chose students that were approaching. Those students are doing better on benchmarks; better qualitative on reading. Helps to reduce group sizes. Will increase to 12 kids in january; room for a bit more

Alondra-with so many newcomers; does the district offer interventions support?. Rachel - tr has not offered anything. We wish. Cheapest most efficient

Kim - share more about # of students at school, compared to support staff, like babcock. Rachel - district funded - positions out of site funds; aisb and retired tecaehrs, ½ time mtss compared to full. Have 2nd counselor to even out with other sites. Alondra - can parents work with admin to push district; work together to go to district to state needs. Petition. Discussion about inequity with school size compared to other sites and supports and staffing.
Delodder - SST teachers? Rachel - tr and mtss seems to assign, thre are about 8-10, but we havent been assigned any. Need to continue to remind tr about these. Dont know how they are deployed to sites or how to get them. Preschool impacts with student, enrollment, staff management; working on getting admin to work just on that to free up time for that.

Jeri motions to approve addendum; delodder seconds. Vote6-0-0-4

Kelvin - have bank of questions and make recommendations or select. Reach out to christine flok

Moved by care and attention of this ssc; others can be blank and not even there? Love how this group works and it is a pleasure. Thank for your energy and time and thoughts.

Adjourn at 5:38
