Reviewed the policies. Only 1 question: that we're not required to have a crossing guard at every crosswalk. Some emergency procedures are not public knowledge, but the staff are aware. The teachers and staff talk over radio and check in during emergency procedures.</p>
Review and discuss SPSA Program Evaluation: <ul style="list-style-type: none"> ● Share current Data on progress of goals and actions ● Discuss recommendations for any changes based on the data that may be needed 	Chairperson & Principal	<p>Attendance rate is going up. Chronic absenteeism is going down. Enrollment is up. Suspension rates are down.</p> <p>Math assessment is up 3% compared to last year. ELA assessment is down compared to last year, but they changed the test, so it's hard to compare them. iReady assessments start next week and that should help give a clearer picture.</p> <p>We moved the 0.8 teacher to go to a 1.0 position. She put together a page of what she's been working on: small groups for WIN and push in support and student support with middle school and student support with teachers. 97% of students have shown growth. She's a great support and we've seen a lot of progress and growth already.</p>

Getting \$2,299 that we'll use for Goal 1.3 and an extra \$63 that we can use towards the Farmers Market during Open House and family communication (Goal 4.1).</p> <p>Question: can we use some of the \$2,299 for the Farmers Market? Possibly, we might be able to do another Farmers Market without using this \$2,299 Title 1 money. Maybe we can budget for more Farmers Markets next year.</p>
